Rejuvenated Greys Win Another.

Our Mansfield Grays journeyed to Cabool last Sunday and showed them the art of baseball playing, to the tune of a 9 to 2 defeat, despite the fact that the Cabool team imported two players who were supposed to be two of the best pitchers in southern Missouri. The Grays opened the game by hammering Minnich South paw pitcher from Atton, from the mound and continued their slugging on Smokey Joe Haven, scoring five runs off Minnich in five innings and four runs off Haven in four innings. O. Dennis featured with a home run scoring one man ahead of him. Gaskill, Mansfield's star pitcher, pitched a good game throughout and only allowed three hits, one of which was very scratchy. Brasher caught an exceptional game. Fielding stunts were performed by Short and McGinnis and, in fact, the entire Gray outfit played a wonderful game both on defense and offense. The Grays meet Cabool in a return game here next Sunday and you are assured of a fast snappy game.

Promised "Bargains" in glasses do not mislead thinking people.

The man who offers you glasses at ridiculously low prices is either a fool or a fakir—if the glasses are worth \$5.00 he can get \$5.00 for them; if they are worth 39c or a dollar, you do not want them at any price.

Whether you pay us \$2, \$3, or \$5 or more, for a pair of glasses you will get full value. That's enough for any honest man to promise.

The House of Bargains

Our opening day last Saturday was a wonderful success. I never saw such a jolly crowd. Everyone had a big smile and our money tills were full before night. We now have two big stores and we will soon install another one. I expect to make my home in St. Louis. Now listen, I go there to hunt bargains for YOU. I have had 25 years (a quarter of a century) experience in bargain hunting. Would I not be a dull student if I could not do well in this line? Remember you have an expert in the big city hunting bargains for you all the time.

Henceforth I will hunt for high class bargains.
